Elegance in the construction should be the rule. The account may be sanctioned in actual expenditure but strict economy should be observed. The question of inauguration of the Kanakanaipalya Extension has yet to be decided. It would be better if Sri Chagapalashan, Governor formerly known inaugurates ^{the extension} at the same time ~~to~~ he lays the foundation stone of the Mysore Rajaswami Sankaracharya Temple. In fact, ~~that~~ the ceremony itself is virtually inaugurating the extension as that is the first act to be given in Kanakanaipalya extension. The extension may be christened on the occasion by a new name. The scheme costs nearly 100 crore - I have obtained names to suggest but I am unable to suggest them at the Council meeting itself - if the matter is to come up at the Council
